

The Beam Theatre at Moving in the Spirit

Seating Capacity:

138 seats

Venue Type:

Black Box Theater with flexible seating - *The audience seating isn't permanently installed. Chairs, risers, stage or platforms can be rearranged or removed entirely, allowing for different stage-audience setups such as:*

- **Thrust** (audience on three sides)
- **In-the-round** (audience on all sides)
- **End stage** (like a traditional setup)
- **Environmental or immersive** (audience within the performance area)
